

# STAMP IT, **Punch It...** *Make It!*

Let us help you with all your metal working needs. We offer a variety of tools specifically for the metal arts. Take a look at our new *EuroPunch Pliers* with tempered steel replaceable punch pins. A fast and easy

way to punch nice clean holes! Or try our quality stamps, offered in both letters and numbers, made of tempered steel which are compact and durable for years of service. Combine our tools with your creativity and make a lasting impression.

*EURO TOOL...Where Quality IS Our Profession.*
